PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 3/29/2021 and 9/27/2021.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

6	Special Condition #18: You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing (which may include urinalysis or sweat patch), as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
---	--

Supporting Evidence: The offender is alleged to have violated special condition number 18, by ingesting a controlled substance, methamphetamine, on or about September 28, 2021.

On June 5, 2020, Mr. Yallup's conditions of supervision were reviewed, and he signed said conditions acknowledging an understanding of his requirements. Specifically, he was made aware by the U.S. probation officer that he must abstain from the use of controlled substances.

On September 28, 2021, Mr. Yallup submitted a urine specimen at Pioneer Human Services (PHS) that returned positive for methamphetamine. At that time, he signed a denial form indicating he had not ingested said substance. The urine specimen was thereafter sent to Alere Toxicology for further testing, and it was confirmed positive for methamphetamine on October 12, 2021.
